Council of Saudi Chambers

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

المرفقات: OCT. 15 2014 التاريخ 505-CSC

The Saudi Arabian General Investment Authority and the Council of Saudi Chambers, will organize the forum and exhibition accompanying the 13th Ministerial Meeting for the Central Asia cooperation dialogue from 25-26 November 2014 at InterContinental hotel in Riyadh (King Faisal Conference H). The "Knowledge Based Economy" and "General Education" are the two main top of the forum and exhibition.

The forum and exhibition will focus on the general education development strategy and support the orientation to shift to economic-community based on knowledge, the importance of technical and vocational training, and the government support to train and develop the manpower to enhance the productivity. In addition to, introducing Saudi Arabia investment environment and the available investment opportunities in the education and human resource development sectors.

Moreover, the forum will include submission of working papers and discussion sessions with the participation of a selected ministers and experts in the field. The exhibition will present the success stories of some Asian countries presented by the concern committees organizations and the private sectors.

Two free viewing platforms has been allocated to the participant organizations from your country who are interested on the knowledge-based economy, vocational and technical training and the development of manpower.

For participation; please fill the attached form and return it by Email to:
